FOUNDATION

Assisting Organizations Focused on **Children, Health, & Education**

Each day charitable organizations throughout Indiana and throughout the world perform a service that benefits a fellow human being. A child is protected from abuse, a new drug is created to help combat disease, or a needy student is given the opportunity to attend college.

While the services these organizations provide may be diverse, they all share a common need—the need for support. In order to fulfill their missions, they need the funds to operate. To help meet this need The IMG Foundation was created.

Established in 2003 by International Medical Group® (IMG®) in Indianapolis, Indiana, this Foundation raises and distributes funds to organizations that assist Indiana residents and organizations that provide services to the international community.

These charitable groups must fall into one of the following categories:

Children

- ▶ Any organization or group that provides services for the health, safety, and well-being of children

Health Care

- ▶ Any medical facility or service that provides health care regardless of a patient's ability to pay
- ▶ Any research and development organization whose goal is to cure, improve treatment for, or prevent illness, injury, or disease
- ▶ Any organization that educates the public about the prevention and treatment of illness, injury, or disease

Education

- ▶ Any organization that promotes educational opportunities for underprivileged children
- ▶ The Foundation may also fund scholarships for the purpose of higher education

You can help

IMG has given this Foundation life through its generous donations. You can contribute to its success by making your own donation.

The IMG Foundation is a 501(c)(3) tax-exempt organization. This means that the Foundation can accept contributions and offer donors a tax deduction for their gifts. As a donor, this means that your contributions are fully tax-deductible to the amount allowed by law.

When you contribute, you will receive a letter confirming your donation to use for your tax purposes. For more information, please contact The IMG Foundation using the information on the back of this brochure.

To submit a request for funds

If you are a charitable organization that meets the criteria set forth in this brochure, please send a request letter to the contact information listed on the back of this brochure. You will be contacted for further information.
